- **Shibori:** A Japanese tie dye technique that uses folding and binding to create intricate patterns.

- **Ikat:** A Southeast Asian tie dye technique that uses yarn or thread to create patterns.
- **Kalamkari:** An Indian tie dye technique that uses natural dyes and wax to create intricate patterns.
- **Bandhani:** An Indian tie dye technique that uses knots to create intricate patterns.
- **Plangi:** A Malaysian tie dye technique that uses bamboo or wood to create patterns.

3. What supplies do I need to tie dye?

To tie dye, you will need:

- Fabric
- Dye
- Salt
- Water
- Rubber bands or string
- Gloves
- A bucket or sink
- A spoon or stick
- A timer

4. How do I prepare my fabric for tie dye?

Before you tie dye your fabric, you need to prepare it by:

- Washing it in hot water and detergent.
- Drying it completely.
- Ironing it to remove any wrinkles.

5. How do I tie my fabric?

There are many different ways to tie your fabric for tie dye. Some of the most popular methods include:

- **Spiral:** Twist your fabric into a spiral and secure it with rubber bands.
- **Bullseye:** Pinch the center of your fabric and secure it with a rubber band. Then, fold the fabric around the rubber band and secure it with more rubber bands.
- **Crumple:** Crumple your fabric into a ball and secure it with rubber bands.
- **Fold:** Fold your fabric into a desired pattern and secure it with rubber bands.

6. How do I apply dye to my fabric?

Once your fabric is tied, you can apply dye. To do this, mix the dye with water and salt according to the manufacturer's instructions. Then, apply the dye to your fabric using a spoon or stick.

7. How long should I let the dye set?

The amount of time you let the dye set will determine the darkness of the color. For light colors, let the dye set for 30 minutes to 1 hour. For dark colors, let the dye set for 8 hours or overnight.

8. How do I rinse my fabric after dyeing?

After the dye has set, rinse your fabric in cold water until the water runs clear. Then, wash your fabric in hot water and detergent.

9. How do I dry my fabric after dyeing?

Tumble dry your fabric on low heat or hang it to dry.

10. How do I care for my tie dyed fabric?

To care for your tie dyed fabric, wash it in cold water and detergent, and tumble dry it on low heat or hang it to dry.

11. What are some safety tips for tie dyeing?

When tie dyeing, it is important to follow these safety tips:

- Wear gloves to protect your hands from the dye.
- Work in a well-ventilated area.
- Do not let children or pets near the dye.
- Keep the dye away from your eyes and mouth.
- If you get any dye on your skin, rinse it off immediately with water.

12. Where can I learn more about tie dye?
