About ICIKS 2024

The 5th International Conference on Information and Knowledge Management (ICIKS 2024) will be held at the University of California, Berkeley, USA, from June 23-26, 2024. This prestigious conference is a premier forum for researchers, practitioners, and educators from academia, industry, and government to present and discuss the latest advancements and innovations in virtual business information processing.

Conference Scope and Topics

ICIKS 2024 will cover a wide range of topics related to virtual business information processing, including but not limited to:

- Business Information Systems
- Data Analytics
- Artificial Intelligence
- Machine Learning
- Data Mining
- Knowledge Management
- Information Retrieval
- Cloud Computing
- Big Data
- Internet of Things
- Blockchain
- Cybersecurity

Paper Submission

Authors are invited to submit original and unpublished research papers that present novel contributions to the field of virtual business information processing. Papers should be submitted in the IEEE conference format and must not exceed 8 pages in length. All submissions will undergo a rigorous peer-review process.

The deadline for paper submission is **March 1, 2024**.

Keynote Speakers

ICIKS 2024 will feature renowned keynote speakers from academia and industry who will share their insights on the latest trends and advancements in virtual business information processing.

Keynote speakers to be announced soon.

Registration

Early bird registration for ICIKS 2024 is now open. To register, please visit the conference website.

Important Dates

- Paper submission deadline: **March 1, 2024**
- Notification of acceptance: **May 1, 2024**
- Camera-ready submission deadline: **June 1, 2024**
- Conference dates: **June 23-26, 2024**
