Ice Cube Challenges

Ice cube games are a great way to add some excitement to your foreplay. Here are a few ideas to get you started:

- **Ice cube relay:** Divide your ice cubes into two piles, and then each person takes turns passing an ice cube between their bodies. The first team to get all of their ice cubes to the other side wins.
- **Ice cube target practice:** Set up a target (such as a piece of paper or a candle) and then take turns throwing ice cubes at it. The person who hits the target the most times wins.

- **Ice cube scavenger hunt:** Hide ice cubes around the room and then give your partner clues to find them. The first person to find all of the ice cubes wins.
