

Making Preschool Lesson Plans Simple and Fun: 36 Weeks of Art, Sensory, and More

- **Art:** My Self-Portrait: Have the children use mirrors to look at themselves and then create self-portraits using crayons, markers, or paint.
- **Sensory:** Sensory Bin: Fill a bin with different materials that represent the children's bodies, such as rice, beans, sand, and play dough.
- **Other:** My Family Tree: Create a family tree with the children, using photos or drawings of their family members.
- **Art:** Community Collage: Have the children create a collage of pictures and words that represent their community.
- **Sensory:** Community Sensory Walk: Take the children on a walk around their community and encourage them to use their senses to explore their surroundings.
- **Other:** Community Helpers: Invite community helpers, such as a police officer, firefighter, or doctor, to visit the classroom and talk about their jobs.
- **Art:** Animal Masks: Have the children create animal masks using paper plates, markers, and construction paper.
- **Sensory:** Animal Sensory Bin: Fill a bin with different materials that represent animals, such as fur, feathers, and bones.
- **Other:** Animal Safari: Take the children on a trip to a local zoo or animal sanctuary.

- **Art:** Plant Collage: Have the children create a collage of pictures and words that represent plants.
- **Sensory:** Plant Sensory Garden: Create a sensory garden in the classroom with different plants that the children can touch, smell, and taste.
- **Other:** Plant Life Cycle: Teach the children about the life cycle of a plant through books, songs, and activities.

- **Art:** Weather Mobile: Have the children create a mobile with different weather symbols, such as clouds, rain drops, and rainbows.
- **Sensory:** Weather Sensory Bin: Fill a bin with different materials that represent weather, such as water, ice, and wind.
- **Other:** Weather Experiments: Conduct simple weather experiments with the children, such as making a cloud in a jar or creating a tornado in a bottle.

- **Art:** Transportation Collage: Have the children create a collage of pictures and words that represent transportation.
- **Sensory:** Transportation Sensory Bin: Fill a bin with different materials that represent transportation, such as cars, trains, and airplanes.
- **Other:** Transportation Field Trip: Take the children on a field trip to a local transportation museum or airport.

- **Art:** Food Collage: Have the children create a collage of pictures and words that represent food.

- **Sensory:** Food Sensory Bin: Fill a bin with different foods that the children can touch, smell, and taste.
- **Other:** Food Pyramid: Teach the children about the food pyramid and healthy eating habits.
- **Art:** Musical Instruments: Have the children create their own musical instruments using recycled materials.
- **Sensory:** Music Sensory Bin: Fill a bin with different musical instruments that the children can play.
- **Other:** Music and Movement: Have the children participate in music and movement activities, such as dancing, singing, and playing games.
- **Art:** Color Collage: Have the children create a collage of pictures and words that represent different colors.
- **Sensory:** Color Sensory Bin: Fill a bin with different colored objects that the children can touch, smell, and taste.
- **Other:** Color Scavenger Hunt: Hide colored objects around the classroom and have the children search for them.
- **Art:** Shape Collage: Have the children create a collage of pictures and words that represent different shapes.
- **Sensory:** Shape Sensory Bin: Fill a bin with different shaped objects that the children can touch, smell, and taste.
- **Other:** Shape Matching Game: Create a shape matching game with different shaped objects.

- **Art:** Number Collage: Have the children create a collage of pictures and words that represent different numbers.
- **Sensory:** Number Sensory Bin: Fill a bin with different numbered objects that the children can touch, smell, and taste.
- **Other:** Number Recognition Game: Create a number recognition game with different numbered objects.
- **Art:** Letter Collage: Have the children create a collage of pictures and words that represent different letters.
- **Sensory:** Letter Sensory Bin: Fill a bin with different letters that the children can touch, smell, and taste.

Preschool Lesson Plans: Making preschool lesson plans simple and fun on a dime! 36 weeks of art, sensory, letters, writing, science, and more!
